PROFESSIONAL PROFILE

A dedicated and compassionate nursing professional with over three years of hands-on clinical experience in acute and clinical care settings. Currently undertaking a BSc (Hons) Nursing (Pre-registration) at the University of Central Lancashire and actively working towards UK NMC registration. Demonstrates strong competence in delivering high-quality nursing care, patient monitoring, and maintaining safety and infection control standards. Recognised for calm and effective decision-making under pressure, excellent communication skills with patients and multidisciplinary teams, and a strong commitment to person-centred care in line with the NHS 6 Cs.

WORK EXPERIENCE
